## Software Engineer & Software Development Manager

@ nennadgal@gmail.com    📍 Subotica, RS    in <https://uk.linkedin.com/in/nenad-gal-7741b748>

## EXPERIENCE

### Software Development Manager

#### Veruscript

📅 December 2015 – August 2017    📍 London, UK & Subotica, RS

- Working together with product owner to plan and execute project milestones, ensuring that all team members have appropriate product and technical specifications, direction, and resources to deliver products effectively and within deadlines.
- Close collaboration with editorial and marketing teams to evaluate and evolve existing software systems.
- Helping developers resolve both technical problems as well as human resources issues.
- Coordination of development processes with external vendors and service providers.
- Actively taking part in software development, infrastructure maintenance and devOps

### Software Engineer

#### Veruscript

📅 June 2015 – August 2017    📍 London, UK

- API development (NodeJS (sailsJS), PHP(Symfony 3))
- Frontend development (AngularJS, SASS, twig, javascript)
- Data storage development and optimisation (MySQL, MariaDB, Neo4J, Elasticsearch, Redis)
- Deployment (AWS Elastic Beanstalk)
- System administration (AWS EC2, AWS VPC, AWS Route 53, Nginx reverse proxies)
- Ubuntu and Red Hat based system administration
- File storage and backup (AWS S3, AWS Glacier)
- Good understanding of other Amazon Web Services including RDS, Elasticsearch, Elasticache

### Software Developer

#### Curo Consulting

📅 June 2013 – May 2015    📍 Subotica, RS

- Application development
- Testing
- Writing documentation

### Web Application Developer

#### Manufaktura d.o.o.

📅 August 2011 – June 2013    📍 Subotica, RS

- Development of complex web platforms including GIS platforms and royalty stock photo platforms

## LIFE PHILOSOPHY

*"Live as if you were to die tomorrow.  
Learn as if you were to live forever."*

## MOST PROUD OF

### Courage I had

to lead the expansion of Veruscript and take part in all operations that led to launch of Veruscript's development branch in Serbia

### Leading and motivating

Veruscript development team to go from unorganised team to a team that actually delivers products within reasonable timelines

### Versatility

I have shown in moments when different operations had to be done without hiring new staff

### Friendship and good relationships

With all past and current colleagues, peers and clients

## STRENGTHS

Hard-working    Problem solver

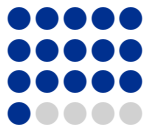

Leader    Versatile

Databases    Cloud Technologies

Web Development

## LANGUAGES

English  
Serbian  
Hungarian  
German

## EDUCATION

B.Sc. in Computer Science

Subotica Tech – College of Applied Sciences

📅 Sept 2011 – June 2013
